

Dear Attila,

On behalf of *Inc.*, I am delighted to inform you that **BHPgumi** (*Picmac Ltd.*) has earned the position of **1571 on the 2018 Inc. 5000 Europe, Inc.'s ranking of the fastest-growing privately held companies in the European continent.**

For 37 years, *Inc.* has welcomed the fastest-growing private companies into a very exclusive club. To be sure, considering the millions of private companies operating throughout Europe, being listed on the Inc. 5000 Europe is a significant achievement. The median company on the list increased sales by more than 254 percent since the start of 2013, while the average honouree grew a mind-boggling 473 percent. Those are results most companies could only dream of in the economy of the past three years.

As an Inc. 5000 Europe honouree, BHPgumi (*Picmac Ltd.*) now shares a pedigree with Intuit, Under Armour, Microsoft, Timberland, Pandora, Patagonia, Oracle, and dozens of other prominent recent U.S. alumni. In addition to Picmac, the Inc. 5000 Europe list added notable companies such as HelloFresh, Dyson, Moo and Coolblue. You are in some pretty impressive company—which is exactly where you belong.

Congratulations to you and your team. You should be proud of all BHPgumi has achieved to date. I wish you many more years of success.

Sincerely,
